ELIGIBILITY REVIEW *[2 weeks]*

To find out if your project is a good candidate, visit kansashealthyfood.org and click on the Program Details tab. KHFI staff will contact you to discuss the eligibility of your project. An eligibility determination will be shared with you within two weeks. Eligibility is based on:

- Commitment to healthy foods
- Low-resource area
- Underserved by healthy food retail
- Operator experience
- Community fit

Eligibility does not guarantee funding.

If eligible,

FUNDING PROCESS *[at least 90 days]*

Compiling and submitting your KHFI financial application:

- NetWork Kansas will connect applicant to a local resource partner, such as a regional Certified Development Company (CDC)
- The NetWork Kansas partner will provide the applicant with the KHFI financial application and submit it to KHFI on behalf of the applicant

Application Review :

- After underwriting, the financial package offer will be developed
- The total amount of time to funding is dependent on completeness of application and other required funding documents and funding readiness of applicant.
- Funding decisions are made by the KHFI Investment Committee.
